Parking Lots Update

The parking lots of all three church buildings are in the process of being upgraded. The schoolhouse parking area and the Ebenezer Center have been completed. Next comes the church building north parking lot. We have been blessed with a matching gift of **up to** \$5,000 toward the total price of \$12,000. The proceeds of the hog roast will also be devoted to this effort. Please prayerfully consider donating to this important project and allowing the church to receive the matching gift fully. Please mark your offering envelope: **"Parking Lots Project"**.
