**Key Verses:**

Proverbs 3:5-6  
<sup>5</sup> Trust in the LORD with all your heart and lean not on your own understanding; <sup>6</sup> in all your ways acknowledge him, and he will make your paths straight.

Philippians 3:13-14  
<sup>13</sup> Brothers and sisters, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, <sup>14</sup> I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.

### This Morning's Speakers:

**Nathan and Nicole Smith** launched Straight Street Recovery Center in Ionia in 2012. It is a six-month, Bible-based, high-accountability residential program for men who are struggling with addiction to substances. Men accepted into the program are carefully screened and must abide by carefully set expectations of conduct: drug testing, holding a job, and volunteer work in the community. Service to others is important in the recovery process.

Another initiative of Straight Street is a church planting within the prison system in Ionia in partnership with the Greenhouse Planting Network. The goal of this strategic church plant is to bring hope, help, reassurance and opportunities for people to encounter Christ. Through worship gatherings and Bible studies, it is hoped that many people will find that their spiritual and emotional needs will be ministered to with understanding and compassion.

Each \$10 given to the Jesus Film Project results in 25 people able to view the film. Of that number, 10 will respond to the message.
