## GRATEFUL THANKS

### Missions Conference Update:

We are very thankful for the overwhelming support received for the Missions Conference last weekend. On Saturday evening we were able to provide a love offering of \$517 to Matt and Caryl Aukerman, who provided us a wonderful overview of their work in Albania. Nearly 50 people attended the dinner and discussion. Nathan and Nicole Smith of Straight Street Ministries in Ionia were on hand on Sunday to update us on their work both in their drug rehabilitation centers and in their newly-formed prison church plant — the first of its kind in Wesleyan history. Their praise band was wonderful also. The love offering for the Smith's was \$1,336.

The Sunday offering monies that were earmarked solely for Global Partners was \$2,433, and this amount goes a long way toward our faith promise goal of \$4,500. Praise the Lord for our faithful givers to missions!

### Trustees Update:

The Trustees are thankful for the support received for the new copier/printer project, that was fulfilled this past week. The new printer is in the office and at work!
