ANNOUNCEMENTS

Welcome

Hey, let's face it. Sometimes life gets a little distorted. Have you ever taken a good look in the mirror and been disappointed? I'm not just talking about our exterior, but what is inside as well. Sometimes when we see what we think is our image we just feel like giving up. Guess what? God sees us exactly the way we are and He still loves us. He loves us so much that Jesus came to endure the cross for us, but he did not stop there.

God made us to experience greatness in grace. He sees His beautiful creation even though it may be distorted. Today we are going to look at a man that had a distorted view of himself and how that view brought him to the brink of disaster. We will also see how Jesus' love turned worthless disaster into worthy delight.

We are so glad that you are here.

life groups

Sign up for a small group and connect with others from our church and community. This is a great way to learn, live, and share the way of Jesus. So, take a look and find a group that works for you.

Saranac community meal

Wednesday, April 20, we will prepare a meal, eat and spend time with the folks at the Saranac Housing Commission's South Building. We will also be helping one of the residents celebrate her 100th birthday! The menu is set, and there is a sign-up sheet at the information table if you would like to help prepare the food, or attend and fellowship with us. If you want to help with the cost of the groceries, add your gift to your offering and note "SCM" on your offering envelope. Thank you for your willingness to be a part of this important local ministry!

Mother/Daughter Banquet

Ladies, mark your calendars now for Friday, May 6, for the annual Mother/Daughter Banquet sponsored by Wesleyan Women. We are looking for people to help plan and implement this event, and some willing gentlemen to act as waiters! Please see the information table to add your name!
